EuroTeens Camp

Sep 28th - Oct 02nd, 2020 **NationalparkCamp Lobau, Vienna**
Sep 27th - Oct 01st, 2021

Welcome to curious and open-minded pupils from all over Europe, who are deeply motivated to experience wilderness, to make new friends and to enjoy tenting, camp-fire and moonlight!

Young people, aged 14 to 18, and their teachers from all over Europe are invited to experience an exciting way to get familiar with ecological, social and cultural topics of the European Union and to express themselves in their individual ways in the green and romantic ambience of our modern camp-site.

Experiencing 'Young European Solidarity'

The motto of the 11th EuroTeens Camp calls on you to go out, take a deep breath in fresh air and have a relaxed and curious look at the multi-coloured dimensions of wilderness. On the one hand we are exploring the virgin nature in the Donau-Auen National Park, the pure wilderness outdoors. On the other hand we are exploring the wilderness inside us, by having exciting and creative outdoor activities in nature!

Making new friends at one of our **romantic campfires**, enjoying **creative workshops** and **thrilling adventures** comes naturally at the relaxed atmosphere in our **EuroTeens Camp**.

Thanks to the constantly growing international **YES! Initiative Network**, which which unites people from **35 European countries**, our EuroTeens Camps are truly international. They offer a unique chance for young people to experience **values of an open-minded democratic European society**.

To seize these great opportunities, each 'EuroTeen' should be motivated to communicate in English and have some basic know-how about the actual ecological, social and cultural issues of the European Union!

Full board is provided for **8-10 persons per group**. Each participant has only to come up for the travelling cost and a catering contribution of **€ 98,-**. Just bring along your sleeping bag, a tent ... and **high spirits!**

is a vivid platform for an open dialogue about creating an ecological, social & cultural European identity, a signal of 'Young European Solidarity'. By now 42 European-wide events have been realized in 5 YES! series:

- EuroKids Camps** - for pupils (12-16) from all over Europe
- EuroTeens Camps** - for students (14-18) from all over Europe
- DanubeTeens Camps** - for students (13-18) from the Danube Regions
- 4EC Teachers Trainings** - for evocative pedagogues from all over Europe
- EuroTeens Meetings** - for students (13-18) from all over Europe

4EC Teachers Training

July 13th - 17th, 2020 **NationalparkCamp Lobau, Vienna**
July 12th - 16th, 2021

Welcome to curious, open-minded pedagogues, from all over Europe, who enjoy to be offered innovative methods of best practice and to give holistic outdoor education a try!

The 'European Evocative Environmental Educators' Conference', shortly called '4EC', puts an emphasis on exchanging experiences with European teachers in future orientated outdoor pedagogics, like the pedagogical concept 'Fresh A.I.R.' | **Animating Intensifying Reflecting**.

Teachers trainings with **Prof. Dipl.-Päd. Gerhard Hofer**, director of the NGO UmweltBildungAustria offer special and innovative methodical tools to find **new performances in the classroom as well as outdoors in nature**.

Topics of the 10th 4EC Teachers Training

- Discussing European standards in environmental education
- Best Practice workshops at facilities like 'BatWatch' & 'HoneybeeHotel'
- The pedagogical concept 'Fresh A.I.R.' | Animating Intensifying Reflecting
- Guided 'Green Bicycle Tour' in the Donau-Auen National Park
- Pedagogical dramaturgy by conceptualizing an 'Arc of Suspense'
- Special team experiences in search of the wilderness outside & inside

Each participant of the **4EC Conference** has only to come up for the travelling costs and a **contribution to catering costs of € 98**. Bring along your sleeping bag and enjoy a 'wilderness'-experience in our group tents or in one of our unique, wooden 'CampLodges'. If you like it more comfortable, we help you to rent a room nearby.

UmweltBildungAustria, an independent association, offers attractive environmental education programmes for Viennese schools and kindergartens to raise awareness of the richness and colourfulness of nature. UmweltBildungAustria provides outdoor events for families, students and seniors to encourage them to spend their leisure time in a sensitive way in the inspiring ambience of 'Green Vienna'. UmweltBildungAustria also develops and realizes the 'YES! Young European Solidarity' Initiative.

NationalparkCamp Lobau, the green camp-site close to Donau-Auen National Park is the attractive headquarter of the NGO UmweltBildungAustria, supported by the Vienna Forestry Department. It provides best conditions like clean sanitariums, a modern kitchen with fresh and organic food, a sunny natural beach, various playgrounds, inviting fireplaces, an open air stage and a festival tent for joyful programmes in case of rainy weather ... surrounded by fresh air, natural sounds and sparkling stars.

Stadt Wien Forst- und Landwirtschaftsbetrieb
The **Vienna Forestry Dpmt.** is mainly responsible for the preservation of the public recreational forests and areas as well as for running the Viennese part of the Donau-Auen National Park.

YES! INITIATIVE VIENNA

The City Councillor for the Environment

"Protecting animals, avoiding waste and emissions as well as establishing high quality nature reserves are main issues of modern societies all over Europe. The City of Vienna makes great efforts to establish the principles of 'sustainable development' in all aspects of the community.

A central topic is environmental education. It makes sure that the next generation is encouraged and enabled to take the right steps towards a 'green' future. We all know that this can only be realized together. Our initiative 'YES! - Young European Solidarity!' presents the right topics and brings you together in the green ambience near Vienna."
