

**Dear Euroteachers, colleagues and friends!**

**Welcome to curious and open-minded pupils from all over Europe, who are deeply motivated to experience wilderness, to get new friends and to enjoy tenting, camp-fire and moonlight!**

**Young people, aged 12 to 16**, and their teachers from all over Europe are invited to experience an exciting way to get familiar with ecological, social and cultural topics of the European Union and to express themselves in their individual ways in the green & romantic ambience of our modern camp-site.

**Experiencing 'Young European Solidarity'**

The motto of the 7<sup>th</sup> EuroKids Camp calls on you to go out, take a deep breath in fresh air and have a relaxed and curious look at the multi-coloured dimensions of wilderness. On the one hand we are exploring the virgin nature in the Donau-Auen National Park, the pure wilderness outdoors. On the other hand we are exploring the wilderness inside us, by having exciting and creative outdoor activities in nature!

Past experiences prove that the green ambience next to the National Park and the modern facilities in the **NationalparkCamp Lobau** support easy living together and send good vibrations. Making new friends at our **romantic campfire** and enjoying **creative workshops** and **thrilling adventures** comes naturally at the relaxed atmosphere in our **EuroKids Camp**.

**EuroKids Camps are really international.** They offer a unique chance for young people to experience **values of an open-minded democratic European society**.

To seize these great opportunities each 'EuroKid' should be motivated **to communicate in English and to get basic information about ...** ... the actual ecological, social and cultural issues of the European Union!

**Full board** is provided for **6 persons per group**. So each participant has only to come up for the travelling cost, a **participation fee of € 96** for food and to bring along sleeping bag, tent ... and **high spirits!**

**Please, register soon! We are looking forward to seeing you!**

**Gabriele Töschler**

Coordinator of the EuroKids Camp
