- EuroTeens Camps** ⇨ for students (14 to 18) from all over Europe
- DanubeTeens Camps** ⇨ for students (13 to 18) from the Danube Regions
- EuroTeens Meetings** ⇨ for students (13 to 18) from all over Europe
- 4EC Teachers Trainings** ⇨ for pedagogues from all over Europe

4EC Teachers Training

July 5th - 8th, 2027 **NationalparkCamp Lobau & Alpha**

Welcome to curious, open-minded pedagogues from all over Europe, who enjoy being offered innovative methods of best practice and to give holistic outdoor education a try!

The 'European Evocative Environmental Educators' Conference', shortly called '4EC', puts an emphasis on exchanging experiences with European teachers in future orientated outdoor pedagogics and on the pedagogical concept 'Fresh A.I.R.' | Animating_Intensifying_Reflecting.

'4EC Teachers trainings' with Prof. Dipl.-Päd. Gerhard Hofer, director of the NGO 'UmweltBildungAustria', offer **special, innovative methodical tools** to **ensure high impact** in the classroom as well as outdoors in nature.

'Biodiversity' & 'Climate Change' ... the main topics of the 10th 4EC

- ❖ Discussing European standards in sustainable environmental education
- ❖ The pedagogical concept 'Fresh A.I.R.' | Animating_Intensifying_Reflecting
- ❖ Best Practice workshops at facilities like 'BatWatch' & 'HoneybeeHotel'
- ❖ Special team experiences in search of the wilderness outside & inside
- ❖ Guided 'Green Biking Tour' in the 'Donau-Auen' National Park

Welcome to 'NationalparkCamp Lobau'!

Welcome to Bildungsakademie 'Alpha'!

10th 4EC Teachers Training **July 5th - 8th, 2027**

- ❖ **Participant contribution** for our **All-inclusive-Service** **€ 188**
Enjoy a 'wilderness'-experience and bring along your sleeping bag & tent.
- ❖ **Programme, accommodation & catering** including fresh organic food.
- ❖ If you like it more exclusive, you can rent one of our unique 'CampLodges' or we will help you rent a room nearby!

UmweltBildungAustria

... an independent association, offers attractive environmental education programmes for Viennese schools and kindergartens to raise awareness of the richness and diversity of nature.

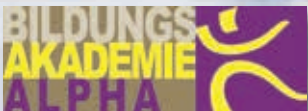

'UmweltBildungAustria' provides outdoor events for families, students and seniors to encourage them to spend their leisure time in a cherishing way in the inspiring ambience of 'Green Vienna'.

'UmweltBildungAustria' also develops and realizes the initiative 'YES! Young European Solidarity'.

NationalparkCamp Lobau

... the green camp-site close to the Donau-Auen National Park is the attractive headquarter of the NGO 'UmweltBildungAustria', for decades supported by the 'Vienna Forestry Department'.

We provide the best conditions like clean bathrooms, a modern kitchen which offers fresh, organic food, various playgrounds, a sunny natural beach, inviting romantic fireplaces, an open air stage and a festival tent for joyful workshop programmes also in case of rainy weather, ... surrounded by fresh air, natural sounds and sparkling stars.

Klima, Forst- und Landwirtschaftsbetrieb

... the 'Vienna Forestry Department' is officially responsible for Vienna city climate matters, the preservation of public forests and agricultural areas as well as for running the Viennese part of the Donau-Auen National Park.
